Blue and gold time has come again. **CUB SCOUTS**___ and **DEN LEADERS**___ had come up with ideas for the **BANQUET**___ to please the **CUB MASTERS**___. They also had to stay within their budget to the **COMMITTEE CHAIRMAN'S**___ delight. They made invitations for their **PARENTS** and centrepieces for the table with the help of the **DEN DAD**___.

When they arrived at the **BANQUET**___, the **PARENTS** were very happy with the decorations the **CUB SCOUTS**___ had made. When the awards were presented, the **DEN DADS**___ and the **DEN LEADERS**___ received thanks for jobs well done. The **CUB MASTERS**___ and the **COMMITTEE CHAIRMAN**___ were also rewarded; and then **EVERYONE** decided it was the nicest **BANQUET**___ they had had so far.
